Dear Diane,

We are incredibly grateful for the continued support from the Larry M. Levey Foundation. Our dear therapy horse, Sir Lawrence, brings joy to all of our hearts each and every day, and we always think of your beloved, Larry.

Your gift of \$8,000 will allow the TROT team to completely update our horses' stalls. They currently have poor drainage and need to be upgraded, as moisture in the stalls can lead to various issues. Your generous gift will allow us to completely redo the stalls, scraping them clean of any moisture and bacteria and then adding new cushy materials for comfort and a slope for appropriate drainage. We are thrilled to have the resources to provide the highest quality of stalls for our amazing and hard-working therapy horses! They give so much to everyone they work with, and we are thrilled to be able to renovate their stalls in order to keep them happy, healthy and comfortable!

On behalf of the TROT staff and horses, thank you for your great support and for your shared belief in the power of TROT!

Sincerely,
